

WAIVER OF CROP DAMAGE

WHEREAS, Lincoln Pipestone Rural Water System (LPRW) has been formed and organized pursuant to Minnesota Statutes, Chapter 116A, and

WHEREAS, the undersigned is the owner of property located within the County of _____, State of Minnesota, described as:

_____, and

WHEREAS, the undersigned is desirous of having LPRW water service benefit his property, and

WHEREAS, certain of the pipes and other appurtenances necessary for the installation of the Rural Water System may be located on the aforescribed lands, and

WHEREAS, installation of said Rural Water System may cause damage to crops growing on the undersigned's land at the time of the installation, and

WHEREAS, the undersigned acknowledges that said installation will be of benefit to his land,

NOW, THEREFORE, in consideration of the anticipated benefit to the undersigned's land, the undersigned hereby waives, relinquishes, and forever discharges any right to make any claim against LPRW or its successors by reason of damage to crops growing at the time of the installation of the aforementioned System due to said installation.

This Waiver shall be binding upon the heirs, representatives, successors and assigns of the undersigned.

Dated this _____ day of _____, 20_____.
