

Lincoln Pipestone Rural Water

Water System Operator

Lincoln-Pipestone Rural Water System is seeking a service-oriented self-starter to work with LPRW management and staff to operate and maintain all aspects of a rural water system. Primary duties include installation and repair of water lines and services, locating of pipelines and appurtenances, working with contractors and customers to maintain reliable service and operation of the water system. Must be able to communicate effectively with staff and the public; possess basic mechanical and construction equipment operator skills and familiarity with computer/communication devices. Position requires high school education, a valid driver's license, and the ability to obtain a Water Operator License and commercial driver's license within one year. Training will be provided. Applicant must be able to work on-call schedule on a rotation basis, which includes weekends and holidays. This position will be located in the northern part of the system, including portions of Lac Qui Parle and Yellow Medicine Counties.

Lincoln-Pipestone Rural Water System supplies water to over 4,800 rural customers and 36 communities in 10 southwest Minnesota counties. LPRW offers a competitive salary and excellent benefits. A complete job description is available upon request. Submit resume to: Lincoln Pipestone Rural Water, ATTN: Jodi Greer, 415 E Benton St., PO Box 188, Lake Benton, MN 56149. Phone: (507) 368-4248; Email: etech@lprw.com
